17:57	FM	Z-78	Z-78, affirm as long as we can get all 4, also CSFD is sending one Type 1 strike team so we are only looking for 4 more
17:57	FM	EOC	Copy, PFS put out a tweet for a backfill from the state
17:58	C2	Harvey > Command	Command, Harvey on C2
17:58	C2	Command	Go for Command
17:58	C2	Harvey	Request for bucket drop operations on the Cathedral Pines structure protection group to help defend some homes. I think they'll have to save if they can get some chopper work
17:58	C2	Wolfe > Harvey	Harvey, Wolfe
17:58	C2	Harvey	Harvey
17:58	C2	Wolfe	Yeah, I was trying to get ahold of Rampart Helo on Vfire 22. Was unsuccessful. I do not believe that they have a bucket swung at this time. I think it was coming in for Recon.
17:58	C2	Harvey	Copy that, thank you
17:59	C2	Command > 742	74,2 from Command on C2
17:59	C2	Operations > Staging	Staging, Operations C2
17:59	C2	742	742, on Command go ahead
17:59	C2	Operations > 742	742, this is Operations on C2. Are you in the ICP?
17:59	C2	742	Negative. Where is ICP to report to?
17:59	C2	Operations	Shoup/Howells
17:59	C2	742	Copy we'll be there in a minute. We're at Black Forest/ Shoup

17:59	RED	Dispatch	2273 were you calling?
17:59	RED	2273	Negative we are enroute
17:59	RED	2273	Responding to Piute
17:59	RED	2250	Enroute to Piute Circle
17:59	RED	Dispatch	Be advised we got another report of an outside fire, this reporting party was stating that from County Line Road if you go directly west into the forest, there's some sort of tower, microwave tower that has a fire all the way around it, is that going to be in the same area, do you think?
17:59	RED	2250	That's negative, Douglas County has been working wildland fire up by Devils Head so that could be related that fire from a couple of hours ago
17:59	FM	Z-78	EOC, Dispatch Z-78, EOC go ahead - no response from Z-78
18:00	OEM	Z-76	Z-76, EOC on OEM

18:01	C2	742 > Command	Command, 742 we're close in that area would you like us to head that way?
18:01	C2	Dispatch	Falcon Command, Fire Dispatch
18:01	C2	Command	Go ahead
18:01	C2	Dispatch	Be advised we've gotten several reports from residents in the area of Wilderness Dr stating that there's a natural gas pipeline in Wilderness Village, one block east from Herring down past Shoup. Advises that if the fire crosses it's going to hit that pipeline and it's approximately 11-13 miles long
18:02	C2	Command	I Copy, can you give me a private line call to my cell please?
18:02	C2	Dispatch	Affirm
18:02	C2	TRM TF > Operations	Operations, TRM TF
18:02	C2	Operations	Operations, TRM TF go ahead

18:02	C2	TRM TF	Pete, did you realize we were coming in from the north? We were coming in off Hodgen and Herring. I don't know that we can get south to Shoup and Howells.
18:02	C2	Pete	Ok, if you were coming in from the north, Shoup/Howells is gonna be all the way down and around. Tie in with operations Harvey on Herring. Give him your accountability and check in and we'll get it back in here in the ICP
18:02	C2	TRM TF	Ok, Harvey TRM TF
18:02	C2	Harvey	Go ahead
18:02	C2	TRM TF	Hey Bob, we're at Herring/Pine Cone. Can see it out in the grass, where do you want us?
18:03	C2	Harvey	Let's just keep paralleling it. Make sure to protect any of the structures that are out in that open area. Just keep yourself in a safe place.
18:03	C2	TRM TF	Copy
18:03	C2	1300 > Operations	Operations Chief, 1300 and engine 1310, Black Forest 703 have cleared our Operations, on C3. We were told to come back over to C2 and check in with you. We're available for assignment.
18:03	RED	2250	In the area, nothing showing at this time, investigating
18:04	C2	1300 > Operations	Operations, Chief 1300 on C2
18:04	C2	Operations	Chief 1300, this is Operations, go ahead
18:04	C2	1300	Operations, this is Chief 1300, engine 1310 and 703 have completed all of our operations on C zone 3. We were told to move back over to C2 and request an additional assignment
18:04	C2	1300	Shoup/Herring, touching base with Harvey or Tines and confirming both Chief 1300 and engine 1310, you have an assignment for 703 or he's a single resource?
18:04	C2	Operations	I would like you to pick up 703 and develop a TF with those units
18:05	C2	1300	Copy Shoup/Herring develop a TF with those units
18:05	C2	Div B > Operations	Operations, Division Bravo on Command 2
18:06	C2	1300 > Operations	Operations, 1300 be advised CSU brush 3, CSU brush 3 is also with our complement moving to the Herring/Shoup address
18:06	C2	Operations	Operations copies, break Harvey Wolfe
18:06	C2	Wolfe	Harvey, Wolfe C2
18:06	C2	Harvey	Harvey
18:06	FM	Z-78	EOC, Dispatch Z-78 we need to try and get ahold of Black Hills and electric company to shut down some of these lines
18:07	C2	Harvey	Harvey, go ahead Wolfe
18:07	C2	Wolfe	Harvey, just so you know, I'm starting to send 2 TFs and develop one around 1300. I've got another one TRM TF headed to Shoup/Herring. Tine is also headed that direction to work for you.

18:07	C2	Harvey	Copy that, we are on Herring right now. We're going to have some difficulty holding this
18:07	C2	Wolfe	That's my thoughts
18:07	PHONE	CSP	CSP confirms 83 is closed both directions between Hodgen and Shoup
18:08	RED	2250	Related to the 83 fire, close the call
18:08	C2	1300 > Operations	Operations, priority traffic Chief 1300, We're getting now reports from deputies about an individual in the pond on the back where we were. That Wild Street and Gun Club. Have you had conformation? Do you want us to check that, we're a couple blocks from that?
18:08	C2	Operations	Let's go ahead and check it again and confirm that there's nobody in the pond
18:08	C2	Harvey	TF 1300, that's affirmative. I understand you're moving to my direction towards Herring. Stay down on Shoup and we're going to evaluate the situation
18:08	C2	1300	TF 1300 copies. Be advised Bob we just got reports from a deputy for an individual in a pond. We've been diverted to check that one more time before we head to your location
18:08	C2	Harvey	Copy that
18:08	C2	Dispatch	TF 1300, Fire Dispatch
18:08	C2	1300	TF 1300, go ahead
18:08	C2	1300	Ok, and confirming behind Wolford Elementary School and any other distinguishing information of the location?
18:08	C2	Dispatch	Negative, its just said that the pond was surrounded by flames
18:09	C2	1300	I copy that
18:09	C2	Dispatch	18:09
18:09	C2	1300	Dispatch TF 1300, did you have a numerical?
18:10	C2	Dispatch	13710 Black Forest Rd
18:10	C2	1300	Ok, 13710 Black Forest Rd TF 1300 is responding to that location
18:10	C2	Dispatch	Copy
18:10	C2	Love > Harvey	Harvey, Love
18:10	C2	Harvey	Go ahead
18:10	C2	Love	Do you know if C3 is still available for our use or should we stay on C2?
18:10	C2	Harvey	You can go to C3.

18:10	C2	Love	I copy, all units TF 1300 switching over to C3. TF 1300 switch over to C3 and check in on C3
18:10	C2	??	We're on the north end of Herring, let me know what the conditions are because Scott and I are gonna move over to Vollmer
18:10	C2	Dispatch	Wolfe, Fire Dispatch
18:11	C2	??	That's what it looks like from this end
18:11	C2	Dispatch	Chief Wolfe, if you're on C2 please acknowledge with Fire Dispatch
18:11	C2	Wolfe	Fire Dispatch, this is Wolfe on C2 go
18:11	C2	Dispatch	I need you to contact Major Carlson, again Major Carlson at 910 603. Copy disregard
18:12	C2	Burns > Harvey	Harvey, from Burns, fire has crossed. It's gotten into a junk yard/ house 13585 Herring
18:12	C2	Harvey	Copy that, are you turning around or are you coming through?
18:12	C2	Burns	I think this looks like it's more of a spot fire so I think we're still safe
18:12	C2	Harvey	Copy, Scott and I are waiting up above
18:12	C2	Operations	3104, go ahead C2
18:12	C2	3104	Hey, we have a helicopter make a drop right on us. Do you have a radio frequency that he's on that we could tie in with?
18:13	C2	Operations	We did try and get ahold of him with no luck. I got a better plan. Break, Douglas County TF Operations on C2
18:13	C2	Burns > Harvey	Harvey, from Burns
18:13	C2	Harvey	Harvey
18:13	C2	Burns	We're gonna stop. The fire's cut us off. We're safe but we're not gonna be able to make it
18:13	C2	Harvey	Turn around and get back down to Shoup then and we'll meet you over on Vollmer.
18:13	C2	Burns	Copy that, it's been making it hard for us to spot ?? And we've got structures
18:13	C2	Harvey	Copy that
18:13	C2	?? > Wolfe	Wolfe ?? On C2 Command
18:14	PHONE	Calhan	Calhan Chief offering Type 1, Type 6, and tender. IC advised not needed unless have entire strike team to go with it
18:14	C2	742 > Command	Command, 742 on C2

18:14	C2	Operations	742, this is Operations go ahead
18:14	C2	742	Yes sir, we've been released. Looking for another assignment. Where would you like us?
18:14	C2	Operations	I'd like you to tie in with Chief 1300. Become part of his TF at Shoup/Herring
18:14	C2	742	Copy, tying in with TF Shoup/Herring
18:14	C2	Harvey	Harvey, go
18:14	C2	??	We have confirmation that it has jumped Herring and we have houses involved on the east side of Herring.
18:15	C2	Harvey	Ok, we're crossing Herring. Understand. The evacuation orders have pushed all the way to Meridian
